

My Learning Reflection Term 2

6 Thinking Hats

<p>Blue Hat</p>  <p>What thinking did we explore this term?</p>	<p>This term I had to explore into my science fair and how to make it accurate.</p> <p>I had to do critical thinking into the evidence on our CSI.</p>
<p>White Hat</p>  <p>What did you learn this term?</p>	<p>This term I have learnt how to use iDVD and iMovie for the Rimu book launch</p> <p>I have also learnt how to put algebra into a graph and I found that it will always go in a diagonal line.</p> <p>For my writing this term I have learnt how to write a piece of narrative writing and how to write in 3rd person.</p>
<p>Black Hat</p>  <p>What were some of the weaknesses in your learning this term?</p>	<p>I have had a fantastic term so there are not many things that are negative.</p> <p>The only thing is I stayed at the same level for my I KAN.</p>
<p>Yellow Hat</p>  <p>What were the positives of learning this term?</p>	<p>This term has been an awesome term for me I was training hard for 20th at the crosscountry and ended up coming 16th.</p> <p>I am very happy with my science fair I think that I did very well.</p>
<p>Red Hat</p>  <p>How did you feel about the learning this term?</p>	<p>For science fair it was frustrating at times but I am happy with the outcome.</p> <p>I am happy with how my learning is improving.</p>
<p>Green Hat</p>  <p>How will you use your new knowledge in the future?</p>	<p>This term I learnt about explanation writing so when I am writing a C.V. to get a job I will be able to explain myself</p>

My Learning Reflection Term 2

6 Thinking Hats

It is pleasing to see Alex enjoying his school work & environment again. He appears to be thriving on the daily challenges & tasks that his teacher sets him. Although challenging the Science Fair project was a great opportunity for us to interact with Alex at a schooling level as he went through the process of putting his presentation together. Overall we are delighted with the effort that Alex appears to be putting into his school work & I hope that he continues to carry this through into Term 3.

Grant Newlove

It is great to see Alex thriving in MultiMedia, and making the most of his learning abilities. It was the right move for him, and has enabled him to broaden his computer knowledge and use it to expand his learning and create some amazing results. The Science Fair was a great challenge both mentally and creatively. It has taught Alex to think outside the box, make a plan, work through each stage, discovering what would happen as he experimented with different ideas, and finally draw a conclusion from his findings. He thoroughly enjoyed his project and learnt many different things in the process.
